

# No Outsiders at The Woodside Academy

What messages are children hearing about the world today?

We have the responsibility to deliver a curriculum that enables our children to understand the benefits that exist in a society where diversity and difference are celebrated.

In addition to this, we need our children to want to be part of that society- we have to sell that to them. That desire may not come naturally by itself.

# What is 'No Outsiders' about?

- Teaching children to respect and accept difference and diversity.
- Using the Equality Act 2010 (British law) as a solid foundation.
- Taking a pro-active approach to bullying.
- Reducing potential for radicalisation (Prevent).
- Preparing children for life in modern Britain.
- Teaching British values.

# What is the Equality Act?

What does the word 'equality' mean?

The principle of equality is that everyone should be treated fairly, without suffering prejudice or discrimination.

The Equality Act was made British law in 2010. It protects you from various forms of discrimination. There are 9 characteristics within the Equality Act.

# Protected Characteristics under the Equality Act 2010

- Age
- Sexual orientation
- Gender identity
- Marriage and Civil Partnership
- Pregnancy and Maternity
- Race
- Religion
- Gender
- Disability

# The Equality Act

Here at Woodside, we want to promote this message across our school.

We accept, respect and are tolerant of people of different faiths, religions, beliefs, ages, gender and disability- to name just a few.

# How is it taught?

- 35 picture books (5 per year group from EYFS to year 6).
- Picture books deal with the characteristics within the Equality Act.
- Each characteristic is taught in context with British law.
- Clear progression through key stages.
- Creates and develops a whole school ethos.
